ABOUT

Oasys Day Spa takes you to another place, far away from the hustle and bustle of your every day to where reality and imagination become one. Every detail of the spa has been selected with great thought and strong purpose. From the striking blue walls of the lobby, to the oceanic tiles of the corridor, an island oasis is yours. The sight. The sounds. The smell. Such simple things have a far from simple impact. Named for the exotic places people dream of going, each treatment room not only allows you to receive unparalleled services for your body, but inspires the mind. Strong wooden elements which appear in shelves, wall hangings and tables create a feeling of permanency and stability and suggest that this is not an experience one can quickly forget. That is the hope of everyone at Oasys Day Spa, where we want each and every client to feel welcomed, relaxed, and rejuvenated.

PRODUCT WE USE

Repechage is the skin care line that we use at Oasys Day Spa. Repechage is a French word meaning "to rescue", or "to give a second chance".

Repechage has developed a full range of skin care and body care treatments, products, and make-up, all based on select nutrient-rich seaweed plants harvested from Brittany coast of France.
